

CENTRAL BANK OF THE GAMBIA

**DECEMBER TO JANUARY 2025 ISSUANCE CALENDAR**

In a bid to provide timely information to better inform investor decisions on government securities investments and to improve market transparency in the issuance of government securities, the November 2024 issuance calendar is attached for publication, while the December 2024 and January 2025 Calendars are subject to revisions depending on the macro environment.

The Calendars are developed based on the maturities of domestic securities and the government’s net domestic financing needs for the month, considering the debt management objective of lengthening debt maturity profiles.

The tables below show the breakdown of domestic borrowing for November, December 2024 and January 2025 (in millions of Dalasi).
